LBF's Website goes *live* – grab a coffee, and join the conversation

Welcome. As specialists in Indigenous employment we wanted to create a space for [job seekers](#) and [employers](#). Take a look!

[Interviews](#), trends, [job services](#), news, take your pick...

Ever wondered what a *P.I.C.K.* is? [Find out!](#) Read our local + global grapevine, or see what's happening in the Human Resources space in [Stay in the Loop](#).

We also profile two Aboriginal businesses in our [community](#).

www.lbfconsulting.com.au is more than a brochure site, our site is designed to start a conversation and introduce you to our way of doing business.

We hope you like our style and enjoy reading our blend of information, trends, interviews, and learn more about our range of Indigenous employment services. You can also receive news updates via our opt-in **eNews** to 'stay in the loop'.
