

CULTURAL APPRECIATION WORKSHOP

A cultural myth-buster.

Learn about Indigenous cultural values and how an ancient culture can coexist in a contemporary workplace. The true value of any Cultural Appreciation workshop is in the experience itself, in a team building environment.

ONBOARDING

Need to get your new employees up to speed fast?

Are you employing Aboriginal or Torres Strait Islander staff, or are you an Aboriginal employer? Learn how to orient your new employees into your business culture and strategies so they can start contributing from day one. *Onboarding* helps build and sustain high-performing teams through shared understanding of business goals, culture and processes. Learn how to ease new employees into their roles and up to speed quickly.
